## STOP

<http://www.lyricstime.com/guitar-hero-2-stop-lyrics.html>

Save the complaints  
For a party conversation.  
The world is loaded,  
It's lit to pop and nobody is gonna stop...

No one...  
No one!  
No way!  
Gonna stop,  
Now; go!

Farm people,  
Book wavers, soul savers,  
Love preachers!  
Lit to pop and nobody is gonna stop.

No one...

One come a day, the water will run,  
No man will stand for things that he had done...  
Hurrah!  
And the water will run...  
One come a day, the water will run,  
No man will stand for things that he had done...  
Hurrah!  
And the water will run...  
Will Run!  
Will Run!

Gimmie that!  
Gimmie that - your automobile,  
Turn off that smokestack  
And that goddamn radio  
Hum... along with me...  
Hum along with the t.v.

No one's  
Gonna  
Stop!

## WHO WAS IN MY ROOM LAST NIGHT

<http://www.lyricstime.com/guitar-hero-2-who-was-in-my-room-last-night-lyrics.html>

I'm Flying

On and on my body burned  
my sheets all wet and cold  
the lights were on, my eyes were gone  
and hazing to the door  
a pounding on my window  
just a pounding in my head  
i wonder who was in my room last night  
who the hell was in my bed?

there must have been a body there  
i swear i felt some flesh  
it took a little time  
but i figured they were mine  
there were fingers going down my chest  
my mouth went through the ceiling  
and my body fell to the floor  
i couldn't find a key  
'cause there was nothing i could see  
then someone ran through the door

the constant breeze and flashes  
why i don't really have a clue  
no one to tell us who was touching me  
or exactly what i should do  
my throat was dry  
my hopes were high  
but nothing really ever got said  
who was in my room last night?  
who the hell was in my bed?

## THE TROOPER

<http://www.lyricstime.com/guitar-hero-2-the-trooper-lyrics.html>

You'll take my life but I'll take yours too  
You'll fire your musket but I'll run you through  
So when you're waiting for the next attack  
You'd better stand there's no turning back.

The bugle sounds and the charge begins  
But on this battlefield no one wins  
The smell of acrid smoke and horses breath  
As I plunge on into certain death.

The horse he sweats with fear we break to run  
The mighty roar of the Russian guns  
And as we race towards the human wall  
The screams of pain as my comrades fall

We hurdle bodies that lay on the ground  
And the Russians fire another round  
We get so near yet so far away  
We won't live to fight another day.

We get so close near enough to fight  
When a Russian gets me in his sights  
He pulls the trigger and I feel the blow  
A burst of rounds take my horse below.

And as I lay there gazing at the sky  
My body's numb and my throat is dry  
And as I lay forgotten and alone  
Without a tear I draw my parting groan

## JOHN THE FISHERMAN

<http://www.lyricstime.com/guitar-hero-2-john-the-fisherman-lyrics.html>

When he was young you'd not find him doing well in school,  
His mind would turn unto the waters.  
Always the focus of adolescent ridicule,  
He has no time for farmer's daughters.  
Alienated from the clique society,  
A lonely boy finds peace in fishing.  
His mother says john this is not the way life's supposed to be.  
Don't you see the life that you are missing?  
And he says...  
When I grow up I want to be,  
One of the harvesters of the sea.  
I think before my days are done,  
I want to be a fisherman.

Now years gone by we find man that rules the sea.  
He sets out on a dark may morning .  
To bring his catch back to this small community.  
He doesn't see the danger dawning.  
Four hours up, oh the ocean swelled and swelled,  
The fog rolled in it started raining.  
The starboard bow. oh my God we're going down!  
The do not hear his frantic mayday.  
And he says  
When I grow up I want to be,  
One of the harvesters of the sea.  
I think before my days are done,  
I want to be a fisherman.  
I'll live and die a fisherman.  
Calling john the fisherman.

## BAD REPUTATION

<http://www.lyricstime.com/guitar-hero-2-bad-reputation-lyrics.html>

You got a bad reputation  
That's the word out on the town  
It gives a certain fascination  
But it can only bring you down

You better turn yourself around  
Turn yourself around  
Turn it upside down  
Turn yourself around

You had bad breaks well that's tough luck  
You play too hard too much rough stuff  
You're too sly so cold  
That bad reputation has made you old

Turn yourself around  
Turn yourself around  
Turn it upside down  
Turn yourself around

## DEAD!

<http://www.lyricstime.com/guitar-hero-2-dead-lyrics.html>

Yeah!

And if your heart stops beating  
I'll be here wondering  
Did you get what you deserve?  
The ending of your life  
And if you get to heaven  
I'll be here waiting, babe  
Did you get what you deserve?  
The end, and if your life won't wait  
Then your heart can't take this

Have you heard the news that you're dead?  
No one ever had much nice to say  
I think they never liked you anyway  
Oh take me from the hospital bed  
Wouldn't it be grand? It ain't exactly what you planned.  
And wouldn't it be great if we were dead?  
Ohh dead.

Tongue-tied and oh so squeamish  
You never fell in love  
Did you get what you deserve?  
The ending of your life  
And if you\* get to heaven  
I'll be here waiting, babe  
Did you get what you deserve?  
The end, and if your life won't wait  
Then your heart can't take this

Have you heard the news that you're dead?  
No one ever had much nice to say  
I think they never liked you anyway  
Oh take me from the hospital bed  
Wouldn't it be grand to take a pistol by the hand?  
And wouldn't it be great if we were dead?

And in my honest observation  
During this operation  
Found a complication in your heart  
So long, 'Cause now you've got (now you've got)  
Maybe just two weeks to live  
Is that the most the both of you can give?

One, two, one two three four!

LA LA LA LA LA!  
LA LA LA LA LA LA!  
LA LA LA LA LA LA LA!  
Well come on,  
LA LA LA LA LA!  
LA LA LA LA LA LA!

LA LA LA LA LA LA LA!  
Oh motherfucker,

If life ain't just a joke (LA LA LA LA LA!)  
Then why are we laughing? (LA LA LA LA LA LA!)  
If life ain't just a joke (LA LA LA LA LA LA LA!)  
Then why are we laughing?  
If life ain't just a joke (LA LA LA LA LA!)  
Then why are we laughing? (LA LA LA LA LA LA!)  
If life ain't just a joke (LA LA LA LA LA LA LA!)  
Then why am I dead?  
DEAD!

## THEM BONES

<http://www.lyricstime.com/guitar-hero-2-them-bones-lyrics.html>

I believe them bones are me  
Some say we're born into the grave

I feel so alone, gonna end up a  
Big ole pile a them bones

Dust rise right on over my time  
Empty fossil of the new scene

I feel so alone, gonna wind up a  
Big ole pile a them bones

Toll due bad dream come true  
I lie dead gone under red sky

I feel so alone, gonna end up a  
Big ole pile a them...  
I feel so alone, gonna end up a  
Big ole pile a them...  
I feel so alone, gonna end up a  
Big ole pile a them bones

## FALL OF PANGEA

<http://www.lyricstime.com/guitar-hero-2-fall-of-pangea-lyrics.html>

Before the dawning of mankind  
Other creatures roamed this land  
They were from a far off time  
And they brought with them a plan  
From a dying portal in the sky it came, a grey transporter set the sky  
Ablaze in search of sanctuary to the earth they came all life before  
This point had just been washed away asteroids and comets ripped right  
Through the atmosphere laid waste to all the dinosaurs its a cycle its  
A cycle thats been going on since before this world began, even though  
They cause destruction they're vital they're a vital part of reality,  
The spores in side were alive, when the dust settled over the oceanbed  
They watched it they watched the natural process of evolution in the  
Raw, lifeforms grew in the water and this is what they saw they saw  
Volcanoes, earth was a wreck, the cooling of the lava produced a side  
Effect they saw amoeba combine with light, they saw the first thing  
Crawl on land and try to walk upright they saw the dolphin, they saw  
The ape, the combination of the two would help the world take shape  
(they bred them) on the beaches, it was called pangea population spread  
So fast it caused an imbalance, but that couldn't stop em even then,  
C'mon!  
Let's get on the road, i got somethin to show, pull up yr roots, and  
Pack yr bags, let's go!  
Let's get on the road, i got somethin to show, pull up yr roots, and  
Pack yr bags- let's go to the mountain and then you will see the place  
Where pangea ma-jor used to be the tectonic plates moved where workers  
Had mined the shift in the continents divided mankind tidal waves broke  
The goddamned thing in half, 7 pieces that wouldn't last spread like  
Germs, thats the human virus form seeds were planted here on earth,  
Young mothers then gave birth they remembered the men from the sky,  
Named them gods and never questioned why?  
Climb up the mountain and see for yrself, the ice caps are melting away  
From the shelf the earth is evolving, you must have forgot, the life on  
This planet has only one shot.  
Tidal waves broke the goddamned thing in half, 7 pieces that wouldn't  
Last earths been silent many times, u seem to forget:  
We are temporary  
You are temporary  
We're all temporary

## MONKEY WRENCH

<http://www.lyricstime.com/guitar-hero-2-monkey-wrench-lyrics.html>

What have we done with innocence  
it disappeared with time and never made much sense  
adolescent resident  
wasting another night on planning my revenge

one in ten, one in ten, one in ten  
don't wanna be your monkey wrench  
one more indecent accident  
I'd rather leave then suffer this  
I'll never be your monkey wrench

Always time to make amends  
what do you do when all your enemies are friends  
now and then I'll try to bend  
under the pressure wind up snapping in the end

one in ten, one in ten, one in ten  
don't wanna be your monkey wrench  
one more indecent accident  
I'd rather leave then suffer this  
I'll never be your monkey wrench

Temper, Temper , Temper,

One last thing before I quit  
I never wanted anymore than I could fit into my head  
I still remember every single word you said  
and all the shit that somehow came along with it  
still there's one thing that comforts me  
since I was always chained but now I'm free

don't wanna be your monkey wrench  
one more indecent accident  
I'd rather leave then suffer this  
I'll never be your monkey wrench

## HUSH

<http://www.lyricstime.com/guitar-hero-2-hush-lyrics.html>

got a certan little girl she's on my mind  
No doubt about it she looks so fine  
She's the best girl that I ever had  
Sometimes she's gonna make me feel so bad

Hush, hush  
Thought I heard her calling my name now  
Hush, hush  
She broke my heart but I love her just the same now  
Hush, hush  
Thought I heard her calling my name now  
Hush, hush  
I need your love and I'm not to blame now

Love, love  
They got it early in the morning  
Love, love  
They got it late in the evening  
Love, love  
Well, I want that needing  
Love, love  
Oh, I gotta get ahead of it

She's got a love like quicksand  
Only took one touch of her hand  
Blow my mind and I'm in so deep  
That I can't eat and I can't sleep

Listen  
Hush, hush  
Thought I heard her calling my name now  
Hush, hush  
She broke my heart but I love her just the same now  
Hush, hush  
Thought I heard her calling my name now  
Hush, hush  
I need your love and I'm not to blame now

Love, love  
They got it early in the morning  
Love, love  
They got it late in the evening  
Love, love  
Well, I want that needing  
Love, love  
Oh, I gotta get ahead of it

## WOMAN

<http://www.lyricstime.com/guitar-hero-2-woman-lyrics.html>

Woman,  
You know you,  
Woman,  
You gotta be,  
Woman,  
I've got a feeling of love  
When you're talking to me, see right through me  
I've got a feeling of love

She's a woman, you know what I mean  
You better listen, listen to me  
She's gonna set you free oh oh yeah

You've come looking for me, like I've got to set you free  
You know I can't free nobody  
You've come looking for me, like I've got to set you free  
I can't be nobody

She's a woman you know what I mean  
You better listen, listen to me  
She's gonna set you free oh oh yeah

Woman,  
You know you,  
Woman,  
You gotta be,  
Woman,  
I've got a feeling of love  
When you're talking to me, you see right through me  
I've got a feeling of love

She's a woman, you know what I mean  
You better listen, listen to me  
She's gonna set you free oh oh yeah

## THE LIGHT THAT BLINDS

<http://www.lyricstime.com/guitar-hero-2-the-light-that-blinds-lyrics.html>

A crack forms in the foundation  
Fault line through your defenses  
Illuminating the essence  
Once clouded by a myth

Store bought conformity  
Force-fed duality, I warp reality

The comfort that you will find,  
As you remain hidden.  
The light betrays,  
casting your true self away,  
They remain blinded.

As Vanity possesses me  
I am further away  
Gripped by a belief in empty words  
Driven by a need to prove

The shell may wither  
But the fire burns eternal

You hide behind  
...cower...  
The light that blinds

Will never find  
What burns inside  
You remain blind  
Behind the light

## STRUTTER

<http://www.lyricstime.com/guitar-hero-2-strutter-lyrics.html>

I know a thing or two about her  
I know she'll only make you cry  
She'll let you walk the streets beside her  
But when she wants she'll pass you by

Everybody says she's lookin' good  
And the lady knows it's understood  
Strutter

She wears her satins like a lady  
She gets her way just like a child  
You take her home and she says "Maybe, baby"  
She takes you down and drives you wild

Everybody says she's lookin' good  
And the lady knows it's understood  
Strutter

I know a thing or two about her  
I know she'll only make you cry  
She'll let you walk the streets beside her  
But when she wants she'll pass you by

Everybody says she's lookin' good  
And the lady knows it's understood  
Strutter  
Strutter  
Strutter

## SHOUT AT THE DEVIL

<http://www.lyricstime.com/guitar-hero-2-shout-at-the-devil-lyrics.html>

He's the wolf screaming lonely in the night  
He's the blood stain on the stage  
He's the tear in your eye  
Been tempted by his lie  
He's the knife in your back  
He's rage  
He's the razor to the knife  
Oh, lonely is our lives  
My heads spinnin' round and round  
But in the seasons of wither  
We'll stand and deliver  
Be strong and laugh and

Chorus:

Shout-shout-shout  
Shout at the devil  
Shout-shout-shout  
Shout at the devil

He'll be the love in your eyes  
He'll be the blood between your thighs  
And then have you Cry for more  
He'll put strength to the test  
He'll put the thrill back in bed  
Sure you've heard it all before  
He'll be the risk in the kiss  
Might be anger on your lips  
Might run scared for the door  
But in seasons of wither  
We'll stand and deliver  
Be strong and laugh and

Chorus

## LAI D TO REST

<http://www.lyricstime.com/guitar-hero-2-laid-to-rest-lyrics.html>

If there was a single day I could live... a single breath I could take  
I'd trade all the others away.  
The blood's on the wall, so you'd might as well just forget it  
And bleach out the stains, commit to forgetting it.  
You're better off empty and blank, than left with a single pathetic trace of this  
Smother another failure, lay this to rest.  
Console yourself, you're better alone  
Destroy yourself, see who gives a fuck  
Absorb yourself, you're better alone  
Destroy yourself.  
I'll chain you to the truth, for the truth shall set you free  
I'll turn the screws of vengeance and bury you with honesty  
I'll make all your dreams come to life, then slay them as quickly as they came  
Smother another failure, lay this to rest.  
Console yourself, you're better alone  
Destroy yourself, see who gives a fuck  
Absorb yourself, you're better alone  
Destroy yourself, see who gives a fuck.  
Failure.  
If there was a day I could live, if there was a single breath I could take  
I'd trade all the others away.

## ARTERIAL BLACK

<http://www.lyricstime.com/guitar-hero-2-arterial-black-lyrics.html>

I know you can't recall anything at all  
or why we're standing here.  
The day you figure out your words had crumbled  
just below your feet.

This is how a mountain gathers,  
purposely directed shadows.  
This sinking ship has information  
that will tear us apart

Along the way we learn things too hard.  
Whisper out the way to stop my heart.

The things you used to say before the day  
I used to care at all.  
It's in the fingertips, I caught you looking;  
hazing down on me.

## HANGAR 18

<http://www.lyricstime.com/guitar-hero-2-hangar-18-lyrics.html>

Welcome to your fortress tall  
Take sometime to show you around  
Impossible to break these walls  
For you see the steel is much too strong  
Computer banks to rule the world  
Instruments to sight the stars

Possibly, i've seen too much  
Hangar 18, i know too much

Foreign life forms inventory  
Suspended states of cryogenics  
Selective amnesia's the story  
Believed foretold but who'd suspect  
The military intelligence  
Two words combined that can't make sense

Possibly, i've seen too much  
Hangar 18, i know too much

## ROCK THIS TOWN

<http://www.lyricstime.com/guitar-hero-2-rock-this-town-lyrics.html>

Well my baby and me went out late Saturday night  
I had my hair piled high and my baby just looks so right  
Well, pick you up at ten got to have you home by two,  
Mama don't know what I've got in store for you  
Well that's alright 'cause we're looking as cool as can be

Refrão:

We're gonna rock this town, rock it inside out  
We're gonna rock this town, make 'm scream and shout  
Let's rock, rock, rock man rock, rock  
We're gonna rock till we pop, We're gonna roll till we drop  
We're gonna rock this town, rock this place apart

Well we found a little place that really didn't look half bad  
I'll have a whiskey on the rocks and change of a dollar for the jukebox  
Well, I put a quarter right into that can, but all it played was disco man  
C'mon pretty baby, let's get outta here right away.

Refrão:

We're gonna rock this town, rock it inside out  
We're gonna rock this town, make 'm scream and shout  
Let's rock, rock, rock man rock, rock  
We're gonna rock till we pop, We're gonna roll till we drop  
We're gonna rock this town, rock it inside out

Refrão:

Well we're having a ball just bopping on the big dance floor  
Well there's a real square cat he looks nineteen seventy four  
Well, you look at me once, you look at me twice,  
You look at me again there's gonna be a fight  
We're gonna rock this town, we're gonna rip this place apart

Refrão:

We're gonna rock this town, rock it inside out  
We're gonna rock this town, rock it inside out

## CRAZY ON YOU

<http://www.lyricstime.com/guitar-hero-2-crazy-on-you-lyrics.html>

We may still have time  
We might still get by  
Every time I think about it I want to cry  
With the bombs and the devils  
And the kids keep coming  
Nowhere to breathe easy...no time to be young  
But I tell myself that I'm doing alright  
There's nothing left to do tonight but go crazy on you

My love is the evening breeze touching your skin  
The gentle sweet singing of leaves in the wind  
The whisper that calls, after you in the night  
And kisses your ear in the early light  
You don't need to wonder, you're doing fine  
And my love, the pleasure's mine  
Let me go crazy on you

Wild man's world is crying in pain  
what you gonna do when everyone is insane  
so afraid of wanting, so afraid of you  
what you gonna do....ahhhhhhhhhh

crazy on you, crazy on you, let me go crazy crazy on you

I was a willow last night in my dream  
I bent down over a clear running stream  
I sang you the song that I heard up above  
And you keep me alive with your sweet, flowing love

## SWEET CHILD O' MINE

<http://www.lyricstime.com/guitar-hero-2-sweet-child-o-mine-lyrics.html>

She's got a smile that it seems to me  
Reminds me of childhood memories  
Where everything  
Was as fresh as the bright blue sky

Now and then when I see her face  
She takes me away to that special place  
And if I stared too long  
I'd probably break down and cry

Oh, oh, oh ...sweet child o' mine  
Oh, oh, oh, oh ...sweet love of mine

She's got eyes of the bluest skies  
As if they thought of rain  
I hate to look into those eyes  
And see an ounce of pain

Her hair reminds me of a warm safe place  
Where as a child I'd hide  
And pray for the thunder  
And the rain  
To quietly pass me by

Oh, oh, oh... Sweet child o' mine  
Oh, oh, oh, oh ... Sweet love of mine  
Oh, oh, oh... Sweet child o' mine  
Oh, oh, oh, oh ... Sweet love of mine

Where do we go  
Where do we go now  
Where do we go  
Sweet child o' mine

## CHERRY PIE

<http://www.lyricstime.com/guitar-hero-2-cherry-pie-lyrics.html>

Dirty, Rotten, Filthy, Stinken rich

She's my cherry pie  
Cool drink of water  
Such a sweet surprise  
Tastes so good  
Make a grown man cry  
Sweet Cherry Pie  
Yeah  
Wow  
Heh Heh  
Well swinging on the front porch  
Swinging on the lawn  
Swinging where we want  
Cause there ain't nobody home  
Swingin' to the left and  
Swingin' to the right  
I think about baseball  
I'll swing all night, yeah  
Yeah, yeah - huh!

Swingin in the living room  
Swingin' in the kitchen  
Most folks don't  
Cause they're too busy bitchin'  
Swingin' in there  
Cause she wanted me to feed her  
So I mixed up the batter  
And she licked the beater

I scream, you scream,  
We all scream for her  
Don't even try  
Cause you can't ignore her

### CHORUS

She's my cherry pie  
Cool drink of water  
Such a sweet surprise  
Tastes so good make a grown man cry  
Sweet cherry pie  
Oh yeah

She's my cherry pie  
Put a smile on your face  
Ten miles wide  
Looks so good  
Bring a tear to your eye  
Sweet cherry pie  
Yeah sweet cherry pie  
Yeah

Swingin to the drums  
Swingin to guitar  
Swingin to the bass in the back of my car  
Ain't got money, ain't got no gas  
Get where were goin if we swing real fast

I scream, you scream,  
We all scream for her  
Don't even try  
Cause you can't ignore her

She's my cherry pie  
Cool drink of water  
Such a sweet surprise  
Tastes so good make a grown man cry  
Sweet cherry pie  
Oh yeah

She's my cherry pie  
Put a smile on your face  
Ten miles wide  
Looks so good  
Bring a tear to your eye  
Sweet cherry pie  
Yeah sweet cherry pie  
Yeah

Swing it  
All night long  
Swing it  
Hey, hey, Ow!

I'm a trained professional  
Swingin' in the bathroom  
Swingin' on the floor  
Swingin' so hard  
Forgot to lock the door  
In walks her daddy  
Standin' six foot four  
Said, "You ain't gonna swing  
with my daughter no more."

She's my cherry pie  
Cool drink of water  
Such a sweet surprise  
Tastes so good make a grown man cry  
Sweet cherry pie  
Oh yeah

She's my cherry pie  
Put a smile on your face  
Ten miles wide  
Looks so good  
Bring a tear to your eye  
Sweet cherry pie

Sweet Cherry Pie  
Yeah! Huh!  
Swing it!

## ROCK AND ROLL, HOOCHIE KOO

<http://www.lyricstime.com/guitar-hero-2-rock-and-roll-hoochie-koo-lyrics.html>

I couldn't stop movin' when it first took hold  
It was a warm spring night at the old town hall  
There was a band called The Jokers, they were layin' it down  
Doncha know I'm never gonna lose that funky sound  
Heh!  
Rock 'n' Roll, Hoochie Koo  
Lawdy mama light my fuse  
Rock 'n' Roll, Hoochie Koo  
Truck on out and spread the news  
All right  
I hope ya'll know what I'm talkin' about  
The way she wiggled that thing, it really knocks me out  
Gettin' high all the time, but if you're not there too  
Come on a little closer, gonna do it to you  
Yeah  
Rock 'n' Roll, Hoochie Koo  
Lawdy mama light my fuse  
Rock 'n' Roll, Hoochie Koo  
Truck on out and spread the news  
Yeah!!

'squitas start buzzin' 'bout that time of year  
She's goin' 'round back, said she'd meet me there  
We was ballin' in the grass growin' behind the barn  
Now my ears started ringin' like a fire alarm  
Rock 'n' Roll, Hoochie Koo  
Lawdy mama light my fuse  
Rock 'n' Roll, Hoochie Koo  
Truck on out and spread the news  
Done got tired of payin' dues  
Said goodbye to all my blues  
Lawdy mama, light my fuse  
'n' Roll, Hoochie Koo  
Truck on out and spread the

## SALVATION

<http://www.lyricstime.com/guitar-hero-2-salvation-lyrics.html>

Come on baby won't you show me what you got there  
I want your salvation woah!

There's a neighborhood called blackhawk  
where all the rich people hide  
I was down on my luck working for the salvation army  
The shelter is where i reside  
Everyday we drive into blackhawk and we pick up the offerings  
Microwave, refrigerator for the suffering

Come on baby won't you show me what you got there  
I want your salvation woah!

I can't believe these people live like kings  
Hidden estates and diamond rings  
I'm a rat out on a mission  
I'm in your front yard under suspicion

Come on baby won't you show me what you got there  
I want your salvation woah!

## TATTOOED LOVE BOYS

<http://www.lyricstime.com/guitar-hero-2-tattooed-love-boys-lyrics.html>

I ran twenty doors,  
Around the house, black and blue  
Between love boys  
Tore my knees up getting tattooed  
Cause I needed, to find out what the thing was for  
Been reading, a man time came to explore.  
I went apewire  
Cause I thought, like I like it  
Little tease, but I didn't mean it  
But you mess with the goods doll, you gotta pay.  
A good time was guaranteed for one and all  
With tattoos, target practice in the hall  
While waiting for their number to get called  
While I, I, I found what the wait was about.  
I was a good time  
Yeah, I got pretty good  
Changing tires, upstairs bro.  
I shot my mouth off and he showed me what that hole was for.  
Now I see you, all impressed and half-undressed,  
You got paint stick, all over the scars, lumps and bumps  
Tattooed love boys got you where I used to lay  
But ha ha, too bad  
You know what they say.  
Stop sniffing  
You're gonna make some plastic surgeon a rich man  
Oh, but the prestige and the glory  
Another human interest story  
You are that.

## LIFE WASTED

<http://www.lyricstime.com/guitar-hero-2-life-wasted-lyrics.html>

You're always saying that there's something wrong.  
I'm starting to believe it's your plan all along.  
Death came around, forced to hear it's song  
And know tomorrow can't be depended on

Seen the home inside your head.  
All locked doors and unmade beds

Open sores unattended  
Let me say just once that

I have faced it, a life wasted.  
I'm never going back there again.  
I escaped it, a life wasted.  
I'm never going back there again.  
Having tasted, a life wasted.  
I'm never going back there again.

The world awaits just up the stairs  
Leave the pain for someone else  
Nothing back there for you to find  
Or was it you you left behind

You're always saying you're too weak to be strong.  
You're harder on yourself than just about anyone

Why swim the channel just to get this far?  
Halfway there, why would you turn around?

Darkness comes in waves...tell me,  
Why invite it to stay?

You're one with negativity  
Yes, comfort is an energy  
But why let the sad song play?

I have faced it, a life wasted  
I'm never going back there again

Oh i escaped it, a life wasted  
I'm never going back there again

Having tasted, a life wasted  
I'm never going back there again

Oh i erased it, a life wasted  
I'm never going back there again

## MESSAGE IN A BOTTLE

<http://www.lyricstime.com/guitar-hero-2-message-in-a-bottle-lyrics.html>

Just a castaway, an island lost at sea, oh  
Another lonely day, with no one here but me, oh  
More loneliness than any man could bear  
Rescue me before I fall into despair, oh

I'll send an S.O.S. to the world  
I'll send an S.O.S. to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle, yeah  
Message in a bottle, yeah

A year has passed since I wrote my note  
But I should have known this right from the start  
Only hope can keep me together  
Love can mend your life but  
Love can break your heart

I'll send an S.O.S. to the world  
I'll send an S.O.S. to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle, yeah  
Message in a bottle, yeah  
Message in a bottle, yeah  
Message in a bottle, yeah

Walked out this morning, don't believe what I saw  
Hundred billion bottles washed up on the shore  
Seems I'm not alone at being alone  
Hundred billion castaways, looking for a home

I'll send an S.O.S. to the world  
I'll send an S.O.S. to the world  
I hope that someone gets my  
I hope that someone gets my  
I hope that someone gets my  
Message in a bottle, yeah  
Message in a bottle, yeah  
Message in a bottle, yeah  
Message in a bottle, yeah  
Sending out at an S.O.S.  
Sending out at an S.O.S.  
Sending out at an S.O.S.  
Sending out at an S.O.S.  
Sending out at an S.O.S.  
Sending out at an S.O.S...

## BILLION DOLAR BABIES

<http://www.lyricstime.com/guitar-hero-2-billion-dolar-babies-lyrics.html>

Billion dollar baby  
Rubber little lady, slicker than a weasel,  
Grimy as an alley  
Loves me like no other lover

Billion dollar baby  
Rubber little monster, baby, I adore you  
Man or woman living couldn't love me like you, baby

We go dancing nightly in the attic  
While the moon is rising in the sky  
If I'm too rough tell me  
I'm so scared your little head will come off in my hands

I got you in the dimestore,  
No other little girl could ever hold you  
Any tighter, any tighter than me, baby  
Billion dollar baby  
Reckless like a gambler, million dollar maybe  
Foaming like a dog that's been infected by the rabies

We go dancing nightly in the attic  
While the moon is rising in the sky  
If I'm too rough, tell me  
I'm so scared your little head will come off in my hands

Million dollar baby  
Billion dollar baby  
Trillion dollar baby  
Zillion dollar baby

## INSTITUTIONALIZED

<http://www.lyricstime.com/guitar-hero-2-institutionalized-lyrics.html>

Sometimes I try to do things  
And it just doesn't work out the way I want it to.  
And I get real frustrated.  
It's like, I try hard to do it  
And I take my time  
But it just doesn't work out the way I want it to.  
It's like I concentrate on it real hard,  
But it just doesn't work out.  
And everything I do and everything I try,  
It never turns out!  
It's like, I need time to figure these things out.  
There's always someone there going,  
"Hey Mike, you know,  
We've been noticing you've been having a lot of problems lately, you  
know.  
You should maybe get away,  
And like, maybe you should talk about it,  
You'd feel a lot better."  
I go, "No, it's okay you know, I'll figure it out.  
Just leave me alone, I'll figure it out you know.  
I'm just working on myself."  
And they go, "Well, you know, if you wanna talk about it,  
I'll be here ya know,  
And you'll probably feel a lot better if ya talked about it,  
So why dontcha talk about it?!"  
I go, "No! I don't want to I'm okay! I'll figure it out myself!"  
But they just keep buggin' me,  
They just keep buggin' me  
And it builds up inside!

So you're gonna be institutionalized  
You'll come out brainwashed with bloodshot eyes  
You won't have any say  
They'll brainwash you until you see their way

I'm not crazy - Institution  
You're the one who's crazy - Institution  
You're driving me crazy - Institution

They stuck me in an institution  
Said it was the only solution  
To give me the needed professional help  
To protect me from the enemy, myself

Uh - I was in my room  
And I was just like staring at the wall thinking 'bout everything  
But then again I was thinking about nothing.  
And then my Mom came in,  
And I didn't even know she was there.  
She called my name  
But I didn't hear her.  
Then she started screaming, "Mike, Mike!"

And I go, "What? What's the matter?"  
She goes, "What's the matter with you?!"  
I go, "There's nothin' wrong Mom."  
She goes, "Don't tell me that, you're on drugs!"  
I go, "No Mom, I'm not on drugs.  
I'm okay, I'm just thinking, you know.  
Why don't ya give me a Pepsi?"  
She goes, "No, you're on drugs!"  
I go, "Mom, I'm okay, I'm just thinking."  
She goes, "No, you're not thinking, you're on drugs!  
Normal people don't act in that way!"  
I go, "Mom, just give me a Pepsi please,  
All I want is a Pepsi."  
And she wouldn't give it to me!  
All I wanted was a Pepsi!  
Just one Pepsi!  
And she wouldn't give it to me!  
Just a Pepsi!

They give you a white shirt with long sleeves  
Tied around your back, you're treated like thieves  
Drug you up because they're lazy  
It's too much work to help a crazy

I'm not crazy - Institution  
You're the one who's crazy - Institution  
You're driving me crazy - Institution

They stuck me in an institution  
Said it was the only solution  
To give me the needed professional help  
To protect me from the enemy, myself

I was sitting in my room.  
My Mom and my Dad came in.  
So they pull up a chair and they sat down.  
They go, "Mike, we need to talk to you."  
And I go, "Okay, what's the matter?"  
They go, "Me and your Mom,  
We've been noticing lately you've been having a lot of problems,  
And you've been going off for no reason.  
And we're afraid you're gonna hurt somebody,  
We're afraid you're gonna hurt yourself.  
So we decided that it would be in your best interest  
If we put you somewhere  
Where you could get the help that you need."  
And I go, "Wait! What are ya talking about?!"  
We decided?!  
My best interest?!  
How do you know what my best interest is!  
How can you say what my best interest is!  
And what are ya trying ta say, I'm crazy?!  
When I went to your schools!  
I went to your churches!  
I went to your institutional learning facilities!  
So how can ya say I'm crazy?!

They say they're gonna fix my brain  
Alleviate my suffering and my pain  
But by the time they fix my head  
Mentally, I'll be dead

I'm not crazy - Institution  
You're the one who's crazy - Institution  
You're driving me crazy - Institution

They stuck me in an institution  
Said it was the only solution  
To give me the needed professional help  
To protect me from the enemy, myself

...Doesn't matter I'll probably get hit by a car anyway.

## TONIGHT I'M GONNA ROCK YOU

<http://www.lyricstime.com/guitar-hero-2-tonight-i-m-gonna-rock-you-lyrics.html>

Little girl, it's a great big world but there's  
only one of me  
You can't touch 'cause I cost too much but  
Tonight I'm gonna rock you  
Tonight I'm gonna rock you  
Tonight!  
You're sweet but you're just four feet  
And you still got your baby teeth  
You're too young and I'm too well hung  
Tonight I'm gonna rock you  
Tonight I'm gonna rock you  
Tonight!  
You're hot, you take all we got, not a dry  
seat in the house  
Next day, we'll be on our way  
Tonight I'm gonna rock you  
Tonight!  
Chorus:  
Little girl, it's a great big world, but there's  
only one of me-

## THE NEW BLACK

<http://www.lyricstime.com/guitar-hero-2-the-new-black-lyrics.html>

Baby, you got me all wrong  
And maybe I am not at all down and out  
I'm high and I'm in  
Don't you know who I am?  
I'm the jaded one with pop insensitivity  
When I finish struggling, we can make our way to the dance floor  
and stand like strangers in an elevator stuck between stories  
I always find myself in the middle of your stories  
With the cameras as a witness I will suffer  
Everything I do is wrong  
But by God I do it right  
We don't dance no no no  
We got class  
No we don't have any fun at all  
It's the new style and we know it  
We're not stunning, we just stunned and we're lying for a living  
Don't you know who I am?  
I'm the real thing with the low-key sensibilities  
I don't need what I've got half as much as everyone covets it  
If loving me is wrong, then god damn you do it right  
It turns us on to turn you down

## RAW DOG

<http://www.lyricstime.com/guitar-hero-2-raw-dog-lyrics.html>

Get down to the level out on the street  
I dig and bite so i can eat, yea  
Walkin tall now, don't you run away and hide  
Bare bones i'll light you up tonight

Raw dog to ride(2x)  
Raw dog tonight, yea

Movin along, so don't you ask if i'll stay  
Just turn my tricks to get my every way  
Well scratch that itch all over the floor  
Till you don't need me anymore

Treat me on your knees, show me where to lay  
I'm rolinn over, gone  
Don't bite the hand that feeds, for taking what you gave  
I'm over, out, and on.

I'll beg to get just what i need  
(and)high tail my ass out of the city  
So fine when another one comes around  
Now i've got my bitch in every town

## MOTHER

<http://www.lyricstime.com/guitar-hero-2-mother-lyrics.html>

Mother

Tell your children not to walk my way  
Tell your children not to hear my words  
What they mean  
What they say  
Mother

Mother

Can you keep them in the dark for life  
Can you hide them from the waiting world  
Oh mother

Father

Gonna take your daughter out tonight  
Gonna show her my world  
Oh father

Not about to see your light  
But if you wanna find hell with me  
I can show you what it's like  
Till you're bleeding

Not about to see your light  
And if you wanna find hell with me  
I can show you what it's

Mother

Tell your children not to hold my hand  
Tell your children not to understand  
Oh mother

Father

Do you wanna bang heads with me  
Do you wanna feel everything  
Oh father

Not about to see your light  
And if you wanna find hell with me  
I can show you what it's like  
Till you're bleeding

Not about to see your light  
And if you wanna find hell with me  
I can show you what it's  
Yea

Not about to see your light  
But if you wanna find hell with me  
I can show you what it's like  
Till you're bleeding

Not about to see your light

And if you wanna find hell with me  
I can show you what it's like  
Wo-oh  
Mother  
Yea

## RADIUM EYES

<http://www.lyricstime.com/guitar-hero-2-radium-eyes-lyrics.html>

Merry is the man  
with money in his hand  
with grease between the wheels  
and lamps in his latrine

and stacks of fresh towels for his wet hands  
Counting up all his toys  
Draining tent fire from the neighbors  
Sermons from soldier boys

like our young cadet  
whose lords require sweat  
til Spain is on its ass  
surrend'ring Philippines

He's stuck in ruts wearing lead pants  
buried chest-deep in a Maginot  
Wondering when he'll touch flesh again  
next chance he gets, he must tell her:

"Oh, you've got Radium eyes"

He can see his girl  
with temporary curls,  
Her doorbell fetching maid,  
pour fetes a la piscine

but she's working, changing the bedpans  
in cities where none but daughters roam  
Stretchers fill ev'ry cathedral  
tarpaulins drip from each broken dome

"You've got Radium eyes"

Day meets night in your eyes.

You've got your radio rock station,  
Make yours mistakes, no reservations.

A brand new days just finds you,  
Thinking of the nights before her.  
Still losing sleeps, oh it's,  
Nothing new, nothing more.

You've got no one to watch you try,  
You've got nothing to get you by.

Come on!

You're torn apart, no time to wonder,  
Yours yesterday's has stole your thunder.

Right!

You call the shots, but now you're  
Shooting blanks and don't know how.  
You pill the strings and clip their wings,  
In fact they hate you now.

You've got no one to watch you try,  
You've got nothing to get you by.

A brand new days just finds you,  
Thinking 'bout the nights before her.  
Cussing as you cross yourself,  
It's nothing new, nothing more.

You've got no one to watch you try,  
You've got nothing to get you by.

The jokes on you,  
The jokes on you,  
The jokes on you,  
The jokes on ... you!

I wish I was free of this  
I see her in my dreams  
Wish that she wasn't there

But she still haunts me and I

Still feel her breath on me  
Still want to taste her skin  
But I know that would kill me

No damn her, still I choke on her lies  
Still Reeling from her last caress her goodbye

Oh how this sickens me  
This wretched fools affair  
I can't erase this from me

And now it permeates  
And every thought I feel  
The anger writhes in my soul

No damn her, still I feel my stomach turn  
Choke back hold my head high I'm strong

No damn her, still I choke on her lies  
Not reeling I'm strong

## COLLIDE

<http://www.lyricstime.com/guitar-hero-2-collide-lyrics.html>

Playing my part in the dream  
Light shines through cracks in a scream

The sun, the sky  
are brighter in your eyes  
We live, we die  
not knowing why  
A scratch, a bite  
and then a flash of light  
As world's collide  
it's you and I

The sun, the sky  
are brighter in your eyes  
We live, we die  
not knowing why  
A scratch, a bite  
and then a flash of light  
As world's collide  
it's you and I

Time and tide  
when worlds collide  
Tomorrow comes today

First to last  
when future's past  
is here with me to stay

Playing my part in the dream  
Light shines through cracks in a scream

The sun, the sky  
are brighter in your eyes  
We live, we die  
not knowing why  
A scratch, a bite  
and then a flash of light  
As world's collide  
it's you and I

## CARRY ME HOME

<http://www.lyricstime.com/guitar-hero-2-carry-me-home-lyrics.html>

He's gonna get you in the end  
Then he'll be your only friend  
There's nothing that'll save your soul  
All you need is alcohol

Step right up and be a man  
On your knees are pray  
Freedoms just another open bottle anyway

So one more round is all i need  
Fill it up and let me be  
It's getting late i should've know  
Wont somebody carry me home?

Pick me up from my knees  
Carry me home

We think you should know  
It's time to go  
No more to show  
Yes is time to go

6am it's closing time the barman turns the lights out  
I want another round so bring it on it's my shout  
Dont' leave me sitting here, don't take me for a ride  
Freedoms just another drink don't leave me hagin' dry

## MADHOUSE

<http://www.lyricstime.com/guitar-hero-2-madhouse-lyrics.html>

White coats to bind me, out of control  
I live alone inside my mind  
World of confusion, air filled with noise  
Who says that my life's such a crime?

Trapped, in this nightmare  
I wish I'd wake  
As my whole life begins to shake  
Four walls, surround me  
An empty gaze  
I can't find my way out of this maze

'cause I don't care  
Fall in, fall out  
Gone without a doubt, help me  
I can't take the blame  
They don't feel the shame

It's a madhouse  
Or so they claim  
It's a madhouse  
Oh, am I insane?

My fears behind me, what can I do  
My dreams haunt my sleep at night  
Oh no, won't learn their lesson, white fills my eyes  
And only then they see the light

## LAST CHILD

<http://www.lyricstime.com/guitar-hero-2-last-child-lyrics.html>

I'm dreaming tonight, I'm living back home

Right!

Take me back to a south Tallahassee  
Down cross the bridge to my sweet sassafrassy  
Can't stand up on my feet in the city  
Gotta get back to the real nitty gritty

Yes sir, no sir  
Don't come close to my  
Home sweet home  
Can't catch no dose  
Of my hot tail poon tang sweetheart  
Sweathog ready to make a silk purse  
From a J Paul Getty and his ear  
With her face in her beer

Home sweet home

Get out in the field  
Put the mule in the stable  
Ma' she's a cookin'  
Put the eats on the table  
Hate's in the city  
And my love's in the meadow  
Hands on the plow  
And my feet in the ghetto

Stand up, sit down  
Don't do nothing  
It ain't no good when the bossman  
Stuffin' down their throats  
For paper notes  
And their babies cry  
While cities lie at their feet  
When you're rockin' the street

Home sweet home

Mama, take me home sweet home  
I was the last child  
I'm just a punk in the street

## I LOVE ROCK 'N' ROLL

<http://www.lyricstime.com/guitar-hero-2-i-love-rock-n-roll-lyrics.html>

Hey, is this thing on?

I saw him dancing there by the record machine, ah.  
I knew he must have been about 17  
The beat was going strong, playin my favorite song  
I could tell it wouldn't be long 'till he was with me  
(Yeah me)  
I could tell it wouldn't be long 'till he was with me  
(Yeah me)

### CHORUS

Singing I love rock and roll  
So put another dime in the jukebox baby  
I love rock and roll  
So come and take the time and dance with me

owwwwwwwwwwwww

He smiled so I got up and asked for his name  
But that don't matter he said cuz it's all the same  
He said can I take ya home, where we can be alone  
And next we're moving on and he was with me  
(Yeah me)  
We were movin' on and singing that same old song  
(Yeah me)

(CHORUS)

I love Rock'n Roll yeah  
So put another dime in the jukebox baby  
I love rock'n roll  
So come and take the time and dance with me  
He said can I take home where we can be alone  
And next we're movin' on and he was with me  
(Yeah with me)  
And we were movin' on and singing that same old song  
(Yeah with me)

CHORUS (x5)

## CAN'T YOU HEAR ME KNOCKIN'

<http://www.lyricstime.com/guitar-hero-2-can-t-you-hear-me-knockin-lyrics.html>

Yeah, you got satin shoes  
Yeah, you got fancy boots  
Y'all got cocaine eyes  
Yeah, you got speed freak jive

Can't you hear me knockin' on your window  
Can't you hear me knockin' on your door  
Can't you hear me knockin' down the dirty street

Hey, help me baby,  
I ain't no stranger  
Help me baby,  
I ain't no stranger  
Help me baby,  
I ain't no stranger

Can't you hear me knockin' when you're safe asleep  
Can't you hear me knockin' down the gas light street  
Can't you hear me knockin' throw me down the keys

Allright now  
Hear me ringing big bells toll  
Hear me singing soft and low  
I've been begging on my knees  
I've been kickin' Help me please  
Hear me prowlin I'm gonna take you down  
Hear me growlin', yeah I've got flatted feet  
Now, now, now hear me howlin'  
I'm all around your street now hear me knockin'  
I'm around your town

## WAR PIGS

<http://www.lyricstime.com/guitar-hero-2-war-pigs-lyrics.html>

Generals gathered in their masses  
just like witches at black masses  
evil minds that plot destruction  
sorcerers of death's construction  
in the fields the bodies burning  
as the war machine keeps turning  
death and hatred to mankind  
poisoning their brainwashed minds, oh lord yeah!

Politicians hide themselves away  
they only started the war  
Why should they go out to fight?  
They leave that role to the poor

Time will tell on their power minds  
Making war just for fun  
Treating people just like pawns in chess  
Wait 'till their judgement day comes, yeah!

Now in darkness, world stops turning  
ashes where their bodies burning  
No more war pigs of the power  
Hand of god has struck the hour  
Day of judgement, god is calling  
on their knees, the war pigs crawling  
Begging mercy for their sins  
Satan, laughing, spreads his wings  
Oh Lord Yeah!

## POSSUM KINGDOM

<http://www.lyricstime.com/guitar-hero-2-possum-kingdom-lyrics.html>

Make up your mind  
Decide to walk with me  
Around the lake tonight  
Around the lake tonight  
By my side  
By my side

I'm not gonna lie  
I'll not be a gentleman  
Behind the boathouse  
I'll show you my dark secret

I'm not gonna lie  
I want you for mine  
My blushing bride  
My lover, be my lover yeah...

Don't be afraid  
I don't mean to scare you  
So help me Jesus

I can promise you  
You will stay as beautiful  
With dark hair  
And soft skin, forever  
Forever

Make up your mind  
Make up your mind  
And I promise you  
I will treat you well  
My sweet angel  
So help me Jesus

Give it up to me  
Give it up to me  
Do you wanna be  
My angel?

Give it up to me  
Give it up to me  
Do you wanna be  
My angel?

Give it up to me  
Give it up to me  
Do you wanna be  
My angel?!

So help me!

Be my angel  
Be my angel

Be my angel

Do you wanna die?  
Do you wanna die?  
Do you wanna die?  
Do you wanna die?

Do you wanna die?  
Do you wanna die?  
Do you wanna die?  
Do you wanna die?

Well, I promise you  
I will treat you well  
My sweet angel  
So help me, Jesus  
Jesus  
Jesus  
Jesus

## SEARCH AND DESTROY

<http://www.lyricstime.com/guitar-hero-2-search-and-destroy-lyrics.html>

I'm a street walking cheetah  
with a heart full of napalm  
I'm a runaway son of the nuclear A-bomb  
I am a world's forgotten boy  
The one who searches and destroys  
Honey gotta help me please  
Somebody gotta save my soul  
Baby detonates for me  
Look out honey, 'cause I'm using technology !  
Ain't got time to make no apology  
Soul radiation in the dead of night  
Love in the middle of a fire fight  
Honey gotta strike me blind  
Somebody gotta save my soul  
Baby penetrates my mind  
And I'm the world's forgotten boy  
The one who's searchin', searchin' to destroy  
And honey I'm the world's forgotten boy  
The one who's searchin', searchin' to destroy  
Forgotten boy, forgotten boy  
Forgotten boy said  
hey forgotten boy

## CARRY ON WAYWARD SON

<http://www.lyricstime.com/guitar-hero-2-carry-on-wayward-son-lyrics.html>

{Refrain}

Carry on my wayward son  
There'll be peace when you are done  
Lay your weary head to rest  
Don't you cry no more

Once I rose above the noise and confusion  
Just to get a glimpse beyond this illusion  
I was soaring ever higher  
But I flew too high

Though my eyes could see I still was a blind man  
Though my mind could think I still was a mad man  
I hear the voices when I'm dreaming  
I can hear them say

{Refrain}

Masquerading as a man with a reason  
My charade is the event of the season  
And if I claim to be a wise man, well  
It surely means that I don't know

On a stormy sea of moving emotion  
Tossed about I'm like a ship on the ocean  
I set a course for winds of fortune  
But I hear the voices say

{Refrain}

No!

Carry on, you will always remember  
Carry on, nothing equals the splendor  
Now your life's no longer empty  
Surely heaven waits for you

## ELEPHANT BONES

<http://www.lyricstime.com/guitar-hero-2-elephant-bones-lyrics.html>

Lord, send down some angels, and they better have guns,  
Cause everybody's crazy down here on everybody's drugs.  
Casinos, pornos, stock shows, where white trash goes to die.  
Bums push carts, crackhead squirrels,  
And birds too drunk to fly.

Guah!

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile to the end of the world!"

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile to the end of the world!"

And they send down some astronauts to study our bones,  
Through the miles of garbage,  
Beneath all the junk that we owned.  
Carbon dating beer cans, condoms and twinkie wrappers.  
We were something beautiful, baby. What the hell happened?

Guah!

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile to the end of the world!"

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile to the end of the world!"

If you you were worth it,  
They'd skin you, too, for new tennis shoes,  
Or a couch that fits the motif of the living room  
And doesn't clash with your business suits!

I wanna be in a museum, stuffed and in a realistic position,  
Like I'm hunting, calling someone, or buying something.  
Way too busy to look up and see what was coming.

Guah!

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile to the end of the world!"

Keep dancing, it's the end of the world!  
She said, "Oh, baby, to the end of the world!"  
Come on, baby, it's the end of the world!  
She said, "Smile, it's the end of the world!"

I want my bones kept next to  
Someone of cultural significance,  
Like Fonzie, or William Shatner.  
Ha-ha, yeah,  
Someone famous like Gilbert Gottfried  
Or the dog from Frasier.  
That caveman they found,  
He was a punk. I knew him in high school.

Heh, heh, heh.

## SURRENDER

<http://www.lyricstime.com/guitar-hero-2-surrender-lyrics.html>

Mother told me, yes she told me  
I'd meet girls like you  
She also told me stay away  
You'll never know what you'll catch  
Just the other day I heard  
Of a soldier's falling off  
Some Indonesian junk  
That's going 'round

(Chorus):  
Mommy's alright, Daddy's alright  
They just seem a little weird  
Surrender, surrender  
But don't give yourself away  
Father says your mother's right  
She's really up on things  
Before we married Mommy served  
On the WACs in the Philippines  
Now I had heard the WACs recruited  
Old maids for the war  
But Mommy isn't one of those  
I've known her all these years

(Chorus)

Whatever happened to all this season's  
Losers of the year  
Every time I got to thinking  
Where'd they disappear  
Then I woke up, Mom and Dad  
Are rolling on the couch  
Rolling numbers, rock and rolling  
Got my Kiss records out

(Chorus)

Away...

### Less Talk, More Rokk

the basement scene is dark and dusty  
the musty smell of stale air  
cobwebs dangle overhead  
people stumble down the stairs  
let's get this party started, yo  
the band are in the corner of the floor  
their songs are pretty kick-ass  
we're dancing like we've never danced before

the music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young  
all over the world  
we wanna have fun  
the music gets louder  
please don't call the cops  
all over the world  
we just wanna rokk

the kitchen scene is damp and sticky  
they're lined up at the keg of PBR  
we're yelling conversations  
thru the floor you hear the keyboards and guitar  
I'm getting kind of antsy  
I just came up here to get some air  
This isn't where the music's at  
I guess I'm going back down there

the music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young  
all over the world  
we wanna have fun  
the music gets louder  
please don't call the cops  
all over the world

we just wanna rokk

the basement scene is hot and sweaty  
bodies packed from wall to wall  
the band are tearing thru their set  
the encore is the best of all  
let's keep this party going, yo  
we've got nowhere else to be  
someone yells, "less talk more rokk"  
mostly unironically

the music is loud  
the kids are so young  
all over the world  
they wanna have fun  
the music is so loud  
it drowns out the talk  
all over the world  
just give us more rokk  
the music is loud  
the night is so young  
all over the world  
we wanna have fun  
the music gets louder  
please don't call the cops  
all over the world  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk  
we just wanna rokk

This is a song about messin' a people  
Who've been messin with you!

Let's go now!

Walkin' down the street on a tuesday night,  
And i feelin good, yeah, i feel alright!  
But i'm tryin' hard not to pull a switch,  
One some drunk frat punk and this stupid BU witch!

Don't wanna get in a fight,  
But i'm easy to ecxite,  
And there's not a cop in sight, oh!

Sing it whoa, frack the kells!  
Whoa-oh-oh, frack the kells!  
There's more jocks outside  
Than the whole entire NFL!  
Sing it whoa-oh-oh, frack the kells!

Yeeeah-ow!

Wells eveibody's been there once, yeah, no doubt.  
But raise your hand if you didn't get thrown out!  
They said somethin' 'bout my lack of class,  
Well, you can take this car, fill it up with tons of gas!

Yeah, you got some, (whoa-oh-oh)  
It's not the only bar in town, (whoa-oh-oh)  
It's just the first that i've burned down, oh!

Sing it whoa, frack the kells!  
Whoa-oh-oh, frack the kells!  
Frack you, frack your mom,  
Frack your whole entire clientele.  
Sing it whoa-oh-oh, frack the kells!

Whoa, frack the kells!  
Whoa-oh-oh, frack the kells!  
Lee-anne!  
Whoa, frack the kells!  
Whoa-oh-oh, frack the kells!

Whoa, frack the kells!  
Whoa-oh-oh, frack the kells!  
Rise up rock city,  
Now it's time to raise some hell!  
Singin' whoa-oh-oh, frack the kells!

We're gonna party like mother...down-owwh!

## HEART- SHAPED BOX

<http://www.lyricstime.com/guitar-hero-2-heart-shaped-box-lyrics.html>

She eyes me like a pisces when I am weak  
I've been locked inside your heart-shaped box  
for weeks  
I've been drawn into your magnet tar pit trap  
I wish I could eat your cancer when you turn black

chorus:

hey, wait, I've got a new complain,  
forever in debt to your priceless advice  
hey, wait, I've got a new complain,  
forever in debt to your priceless advice  
hey, wait, i've got a new complain,  
forever in debt to your priceless advice  
your advice

meat eating orchids forgive no-one just yet,  
cut myself on angel hair and babys breath,  
broken hymen of your highness i'm left black,  
throw down your umbilical noose so i can climb right back

Repeat Chorus

She eyes me like a pisces when, I am weak  
I've been locked inside your heart-shaped box for weeks  
I've been drawn into your magnet tar pit trap  
i wish i could leach your cancer when you turn black

Repeat Chorus

## FREE BIRD

<http://www.lyricstime.com/guitar-hero-2-free-bird-lyrics.html>

If i leave her tomorrow  
Would you still remember me?  
For i must be travelling on, now,  
'Cause there's too many places i've got see.  
But if i stayed here with you, girl,  
Things just couldn't be the same.  
'Cause i'm as free as a bird now  
And this bird you can't not change.

Lord knows, i can't change.(3x)

Bye, bye, baby it's been a sweet love.  
Though this feeling i can't change.  
But please don't take it so badly,  
'Cause lord knows i'm to blame.  
But if i stayed here with you, girl,  
Things just couldn't be the same.  
'Cause i'm as free as a bird now  
And this bird you'll never change.

And this bird you can't not change.(2x)

Lord knows, i can't change.  
Lord help me, i can't change.

Lord i can't change,  
just fly high like a free bird, yeah.

It's a psychobilly freakout!

## TRIPPING ON A HOLE IN A PAPER HEART

<http://www.lyricstime.com/guitar-hero-2-tripping-on-a-hole-in-a-paper-heart-lyrics.html>

Don't cut out my paper heart, I ain't dying anyway  
Take a look at eye full towers  
Never trust them dirty liars  
Sippin' lemon yellow booze 'ole' leadbelly sings the blues  
All dressed up on wedding day keep on trippin' anyway

I am I am I said I'm not myself, but I'm not dead and I'm not forsale  
So keep your bankroll lottery eat your salad day deathbedmotorcade

Fake the heat and scratch the itch  
Skinned up knees and salty lips  
I'll breathe your life vicks vapor life  
And when you binge I purge alike  
Let go it's harder holding on  
One more trip and I'll be gone

So keep your head up  
Keep it on, just a whisper I'll be gone  
Take a breath and make it big  
It's the last you'll ever get  
Break you neck with diamond noose  
It's the last you'll ever choose

I am I am I said I'm not myself, but I'm not dead and I'm not forsale  
Hold me closer, closer let me go  
Let me be just let me be
